Segment 2:
Judgment Proclaimed On Israel
2:6-16

LAWSUIT ORACLE [whole chart]
- Summons: Thus says the Lord [6a]
- Charge & Evidence [6b-8,12]

→List of sins
- Social injustice
- Immorality
- Idolatry

AL/LC? *Highlights main sins. Rest of Amos esp. emphasizes injustice & idolatry.*

- Verdict: Description of their fall [13-16]

FF: *Fall of Samaria by Assyria in 722 BC (Payne)*

HISTORICAL CONTEXT:
2 Kings 14 Jeroboam II → political success leading to "Golden Age" in economy of Israel → resulting in greed/oppression of poor.

2:6 TRANSGRESSIONS OF ISRAEL

I will not revoke the punishment because
-- sell righteous for silver
-- trample head of poor ✱
-- father and son go into same girl
-- beside every altar on garments taken in pledge

WHO? Israel after judgment pronounced on surrounding nations – now it is Israel's turn.

OH? *Were probably happy their enemies were judged…now they see they are as bad as their enemies are! → REPENT, no pride.*

APP Easy to point out other people's sins…we need to take a look at our-selves!

THEME: Idolatry → Have **many** altars
Impl? Have many gods [5:26, 8:14]

2:9 DESTROYED AMORITE BEFORE THEM

✱ **Like heights of cedars**
✱ **As strong as oaks**

I raised up
your children to be prophets
your youths to be Nazirites

THEME: God's Character→ God is doing the acting
- God destroyed the Amorites

They were the "giants" in the Promised Land [Num 13:25-29 Deut 2:26-33]

- **FOS** Similes to describe Amorites

Meaning? *Tall & strong = powerful people.*
Why Included? If it wasn't for God, the Israelites never would have made it to the Promised Land→ OH should be thankful to God, not be prideful about own achievements.

THEME: Social Injustice
Sell righteous for silver

Meaning? *Sold into slavery [handout] or courts are taking bribes.*
- Trample head of poor = ✱ FOS = metaphor

Meaning? *Treat poor badly, as having no value*

- Garment…

Ex 22:26-27, Dt 24:7 → cannot keep garment overnight
OH? *Are judged for not taking care of the poor*

APP. As Christians we are to take care of poor/needy/weak people in our society. In church we shouldn't ignore the poor (we should welcome them in our church!)

2:12 YOU MADE NAZIRITES DRINK

"You shall not prophesy"

2:13 NOT SAVE THEMSELVES

✱ I will press you down in your place
Flight shall perish from the swift

Stout of heart among the mighty shall flee away naked in that day

CONTRAST: God set apart people for his service

Israel rejected them and caused them to disobey

Impl? *OH rejected God's word, are not consecrated to God (reveals their heart attitude)*

✱**FOS**- Simile to describe Israel's judgment

Meaning? They will be crushed → destruction.
OH? *Needs to take Amos' warning seriously: Repent or judgment will come.*

SUMMARY:

As Israel has just heard prophecies of judgment against other nations, they were probably cheering these prophecies on…but now it is their turn and their list of sins is much longer. They too will face the judgment of God!

Synonymous PARALLELISMS vs. 14-16
REPEATED IDEA -- Not even the strong and brave can save themselves.

Why this emphasis? *6:1-3,13→ Israel thought they were invincible, were prideful.*
OH? *Confronted with fact that they too will be judged.*

OR? *Judah also lives in time of prosperity (see BRI) they should not make same mistakes.*
